

Kids of all ages will stay busy at the fairgrounds with lots of added fun. The Holt County Fair was lucky enough to be added to McWhorter's Carnival circuit. They will have four kid's rides, four adult rides and lots of great carnival food at the fairgrounds in Chambers August 8-11th. Details about operation times and prices on website. We are bringing back the rock climbing wall that was such a big hit last year along with an inflatable ride and a ball pit. The exotic animal exhibit trailer from Horn T Zoo will be at the fair this year. The Ol' Country Kettle Corn wagon will be back too.

All of this fun entertainment will be joined on Friday and Saturday with our kid's carnival tent. If you didn't get a chance to take the family last year you missed out on a lot of great games. We will be bringing back the favorites and adding new games. Last year the success of the fair was ALL DUE TO VOLUNTEERS. Again we are asking for help.

The kid's carnival tent is looking for individuals willing to spend 2 to 8 hours. The tent will be open Friday from 1:00 p.m. – 7 p.m. and Saturday 11 a.m. – 3 p.m. if we can find volunteers to operate. Volunteers would help youth play games, sell tickets and hand out prizes. If you have a club, organization or just a group of friends we would love to have you join the fun. We provide everything to run the games and we are happy to make a donation to volunteers.

We are also accepting donations of candy, pop, new or gently preowned toys and miscellaneous items as prizes. Left over items from a garage sale make perfect donations!

For more information or to get on the schedule, please call (402) 841-9380 or send an email to holtcountyfair@gmail.com Heather Tomjack Holt County Agricultural Society
